Dear Mountain Friend:

You are invited to join us at our second annual Canadian Avalanche Foundation fundraising dinner and silent auction on Friday, February 24<sup>th</sup>, 2006 at the Vancouver Rowing Club.

Each year an average of sixteen people die in avalanches in Canada. The majority are climbers, skiers, boarders and snowmobilers, all people who share an appreciation and love of the mountains.

The path forward to safer winter mountain travel depends on the availability of better information on avalanches. It requires a wider and more frequent distribution of avalanche forecasts to everyone who travels in the mountains. The Canadian Avalanche Foundation is a federally registered charity formed to raise money in support of public avalanche safety initiatives, education and research. (Charitable Tax Number 86900 0349 RR0001)

Our speaker for the evening is **Laurie Skreslet** the first Canadian to summit Mt. Everest. Laurie's presentation entitled, *“The Nature of Risk”* will be about the inseparable nature of adventure and risk. I will co-host the evening along with CAF Director, **Justin Trudeau**.

Tickets are \$150.00 per person and are supported by a \$75 tax receipt. Purchase 10 tickets and have a table reserved in your name for a total cost of \$1500.

You are invited to take part in this gathering of a community that cherishes the mountains; a community that is dedicated to making winter travel in our mountains safer for all. A Ticket Order Form is attached. You may fax, email, telephone or mail your order for tickets to us.

We look forward to seeing you there!

Chris Stethem, President  
Canadian Avalanche Foundation
